

(c) the number of undertakings in which the British and American collaborators hold majority shares or other special privileges?

THE MINISTER OF INDUSTRY (SHRI N. KANUNGO): (a) to (c) The information is being collected and will be placed on the Table of the House in due course.

SHRI NIREN GHOSH- May I know, Sir, whether it is a fact that the American capital here earns 20 per cent., on their invested capital during a year, and ultimately within five years more capital is exported from India than the capital invested by the Americans here between 1956 and 1960?

SHRI N. KANUNGO: I will take "the information for what it is worth from the hon. Member.

SHRI C. D. PANDE: It is not correct.

SHRI A. M. TARIQ: Is it a fact that investments made by Americans and Britishers in this country are less than what they are going to take out as profits in the next five or ten years? What is going to be the policy of the Government this year in regard to the profits made on foreign investments in this country?

SHRI N. KANUNGO: I will suggest to him to look into the question. What is the question?

MR. CHAIRMAN: The question now is over.
