श्री जयसुखलाल हाथी : ऐसी सोसाइटियों ने जिन्होंने अन एप्रूव्ड लैंड बेची

The question that he has asked is-whether they have been sold. It has come to the Government's notice that some housing societies in Delhi are dealing in the sale of unapproved lands by showing them as approved lands. No such cases have come to our notice. But there were some lands, unauthorised, unapproved lands, which were sold as unapproved lands.

SHRI A. M. TARIQ: Now the Government have accepted the fact that unapproved lands were sold by showing them as unapproved lands. What action has been taken against the people who have sold unapproved lands to innocent citizens of this country?

SHRI JAISUKHLAL HATHI: Those lands that were not approved have been acquired by the Government.

SHRI A. M. TARIQ: It does not solve the problem. Now unapproved lands were sold to innocent citizens which have been taken over by the Government. What happened to the money of these innocent people which was given to these societies? May I know, Sir, whether it was returned to them by the Government or were these societies asked to return that money? If it is so, were the deposits given back in all the cases, the amount in respect of such deposits?

SHRI JAISUKHLAL HATHI: If the people had purchased these lands knowing that they were unapproved lands, then no question arises at all. And when it is acquired, the money will be paid to the persons concerned.
