

SHRI A. D. MANI: With reference to the answer given by the Minister just now, I should like to ask him whether his attention has been drawn to the fact that for minor traffic violations some of the cyclists have been fined Rs. 50—70? It is open to the prosecution to suggest that the fines should not be so severe or excessive. Why did the prosecution not make this suggestion?

SHRI R. M. HAJARNAVIS: It is for the court, Sir. I do not think we have asked for any particular kind of punishment.

MR. CHAIRMAN: I do not think the hon. Member wishes to make a suggestion to interfere with the judiciary.

SHRI FARIDUL HAQ ANSARI: Is the hon. Minister aware that in areas where double track is provided, one for the pedestrians and one for the cyclists, especially in the areas where Members of Parliament live, both the tracks are monopolised by Members' cars?

SHRI R. M. HAJARNAVIS: If that happens, I am quite sure that traffic police will take notice of it.

ADVANCE INCREMENTS TO PH.D. QUALIFIED LECTURERS OF THE DELHI UNIVERSITY COLLEGES

*496. **SHRI V. M. CHORDIA:** Will the Minister of EDUCATION be pleased to refer to the answer given to Starred Question No. 114 in the Rajya Sabha on the 25th April, 1963 and state:

(a) whether the University Grants Commission in consultation with the Ministry of Education have advised the University of Delhi and other Central Universities to give two advance

increments to the Ph.D. qualified lecturers in the affiliated colleges; and

(b) if so, what are the details of the advice so given?

THE MINISTER OF SCIENTIFIC RESEARCH AND CULTURAL AFFAIRS (SHRI HUMAYUN KABIR): (a) No, Sir.

(b) Does not arise.

श्री विमलकुमार मन्नालालजी चौरड़िया :
क्या श्रीमान् यह बतलाने की कृपा करेंगे कि क्या इसके बारे में कोई योजना विचाराधीन थी ?

SHRI HUMAYUN KABIR: No scheme was under consideration. But actually in 1952 on a move from the then Ministry of Education the University of Delhi used to give two advance increments to those who obtained the Ph.D. But today that scheme is no longer necessary.

श्री विमलकुमार मन्नालालजी चौरड़िया :
तो यह स्कीम बन्द करने का कारण क्या है और कब से यह बन्द की गई ?

SHRI HUMAYUN KABIR: Sir, the reasons are very simple. The first is that the scales of salaries of the teachers have been considerably improved. In place of about Rs. 200 in those days, the scale now starts at Rs. 400. The other reason is that in those days, in order to encourage people to take Ph.D., advance increments were given. Nowadays most of the teachers already have the Ph.D.

The final recommendation of the Himachal Pradesh Government is awaited.
