

GEO-SCIENTISTS

*138. SHRI P. K. KUMARAN: Will the Minister of SCIENTIFIC RESEARCH AND CULTURAL AFFAIRS be pleased to state:

(a) whether it is a fact that a number of qualified geo-scientists in the Country are either unemployed or are working in non-technical and clerical jobs;

(b) if so, the reasons therefor; and

(c) what steps Government have taken to prevent such wastage of talent of qualified scientists in the country?

THE MINISTER OF SCIENTIFIC RESEARCH AND CULTURAL AFFAIRS (SHRI HUMAYUN KABIR): (a) Out of 2558 Post-graduates in Geo-sciences registered up to 1-7-1963 in the National Register of Scientific and Technical Personnel maintained by the C.S.I.R., 14 are reported to be unemployed and about 150 reported employed in fields not connected with Geo-sciences.

(b) and (c). It is understood that there are many vacancies in the Geological Survey of India and recently the Survey has absorbed about 70 geologists. It is proposed to recruit some more through a competitive examination to be held by the Union Public Service Commission. Appointments however depend on performance at the interviews and competitive examination held by U.P.S.C. as well as personal performance of applicants.

However, the Mineral Development and Exploration Programmes during the Third Five Year Plan period is expected to provide employment opportunities to a considerable number of Geo-scientists and attention of the respective authorities has already been drawn to the availability of trained personnel.

Translation

We protest against the unreasonable arrest of Shri S. K. Acharyya and demand his immediate release.

The news that the General Secretary of an India Association of Democratic Lawyers (Shri S. K. Acharyya) Bar-at-Law has been arrested under the Defence of India Rules, has aroused great concern and astonishment to all Japanese Democratic Lawyers, who burn with indignation.

Shri S. K. Acharyya visited Japan last October, as the representative of Indian Lawyers at the Preparative Committee of the second Apo-Asian conference held at Conakry in Guinea and was well known by many lawyers throughout Japan, especially for his opinion of independence of nations and peaceful co-existence, which is supported by all Japanese Democratic Lawyers.

We firmly believe in his opinion to maintain India's sovereignty and to accomplish international co-existence at the same time.

We feel to arrest and oppress such a valuable person is a serious measure, both for India and world peace, and are greatly concerned with the Defence of India Rules, making no provision for having recourse to any legal remedies, which is strictly against fundamental principles of modern law.

We strongly demand under the name of all Democratic Lawyers in Japan, You release immediately Shri S. K. Acharyya and restore his Civil Rights, under the fundamental human rights protection.
