

गृह-कार्य मंत्रालय में राज्य मंत्री (श्री जयसुखलाल हाथी) : (क) जी हाँ ।

(ख) कुछ समय के लिये इसे स्थगित कर दिया गया है ।

[THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS SHRI JAISUKHLAL HATHI]: (a) Yes, Sir.

(b) It has been postponed for the time being.]

श्री राम सहाय : क्या मैं यह जान सकूंगा कि इस यात्रा के साथ और किन देशों की यात्रा करने का विचार है ?

श्री जयसुखलाल हाथी : और किसी देश की यात्रा का विचार नहीं है । यहाँ जाने के लिये उनको इन्वीटेशन 1963 में मिला था जब वे लेबर मिनिस्टर थे ।

श्री राम सहाय : क्या मैं यह जान सकूंगा कि जब हमारे होम मिनिस्टर साहब वहाँ तयरीफ ले जायेंगे तो क्या इस बात की जांच करेंगे कि वहाँ क्या क्या उपाय करप्शन के बारे में उठाये जा रहे हैं ?

श्री सभापति : किस के बारे में ?

श्री राम सहाय : करप्शन के बारे में ।

SHRI JAISUKHLAL HATHI: He will look into the administrative machinery there.

श्री एन० श्रीराम रेड्डी : क्या मंत्री महोदय कृपा करके यह बता सकते हैं कि होम मिनिस्टर किस उद्देश्य से वहाँ जा रहे हैं ?

SHRI JAISUKHLAL HATHI: As I said, in 1963, the Labour Minister of that country came here on an official visit and he invited the Labour Minister who was also the Home Minister then. He had combined charge. He invited him in 1963 and since then, again, the invitation was renewed and

it is being renewed now. He said then that he would come but he could not go all these years and so it is still pending.

SHRI RAJENDRA PRATAP SINHA: May I know if the new invitation is given to the Labour Minister or to the Home Minister?

SHRI JAISUKHLAL HATHI: The renewal has come to the Home Minister. Then also he was Home Minister.

HALDIA REFINERY

SHRI ARJUN ARORA

SHRI RAMGOPAL GUPTA

SHRIMATI LALITHA

SHRIMATI TARA RAMACHANDRA L SATHE:

Will the Minister of- PETROLEUM AND CHEMICALS be pleased to reier to the reply given to Starred Question No. 534 in the Rajya Sabha on the 10th September, 1965 and state whether any progress has been made in attempts to arrive at a collaboration agreement for setting up the Haldia Refinery?

THE MINISTER OF PETROLEUM AND CHEMICALS (SHRI HUMAYUN KABIR): The proposals received are under detailed technical scrutiny.

SHRI RAJENDRA PRATAP SINHA: From where have you received the proposals?

SHRI HUMAYUN KABIR: There is one proposal from a combination of a German firm and an American firm, Phoenix Mobil. The second proposal is from Rumania, Industrial Export of Rumania, and the third proposal is from C.F.P., France. And we have heard—but we have not yet received any proposal—that a Japanese consortium also wishes to submit a proposal.

*The question was actually asked 'on the floor of the House by Shri Ram Gopal Gupta.

SHRI RAJENDRA PRATAP SINHA: Do you propose to wait till you receive the Japanese proposal?

MR. CHAIRMAN: Just a minute Mr. Ram Gopal Gupta.

SHRI RAMGOPAL GUPTA: When do you think this project will be finalised and if you wait for the Japanese proposal will it not delay the overall scheme quite considerably?

SHRI HUMAYUN KABIR: These negotiations do take some time I admit but we will not wait indefinitely. The German proposals have been examined; most of the detailed scrutiny is over. The C.F.P. proposals and the Rumanian proposals are under examination. As soon as we receive a proposal which we consider to be to the advantage of India we shall clinch the matter and we shall not wait for any new proposals.

SHRI RAMGOPAL GUPTA:- Will the proposal go through in spite of the fact that priorities in the Fourth Plan are being changed?

SHRI HUMAYUN KABIR: Sir, the change of priorities in the Fourth Plan will help the proposal rather than otherwise.

SHRI BIREN ROY: Last time in reply to one of my supplementaries the hon. Minister stated that there was also a proposal from Rumania and that being an East European country with which we have a rupee account I would like to ask if the scrutiny that is now being made will involve whether we will save foreign exchange by collaboration with an East European country or we shall go for further foreign exchange expenditure by collaboration with some West European country.

SHRI HUMAYUN KABIR: My hon. friend is probably aware that in the case of project like this, the projects bring their own foreign exchange. Some payment has to be made in any case; whether it is through rupee

foreign exchange or through free foreign exchange we shall take the proposal which is most advantageous to the country and naturally weightage will be given to the fact that in the case of Rumania a large part of the payment will be made in rupees.

SHRIMATI LALITHA (RAJA-GOPALAN): May I know from the hon. Minister which country is willing to meet the foreign exchange requirements of this collaboration?

SHRI HUMAYUN KABIR: I have just now stated that everyone who makes an offer comes with the foreign exchange attached to the offer.

SHRI G. MURAHARI: I would like to know from the Government whether the Government is also looking into the political aspect of this collaboration because the West German Government is known to have supplied a large quantity of arms to Pakistan and any collaboration with West Germany would only work to our detriment. I would like to know from the Government whether this aspect of the problem is kept in view when taking a final decision in the matter.

SHRI HUMAYUN KABIR: All aspects will be taken into consideration and as I have stated earlier the proposal which is to the greatest advantage of India will be accepted. We should not go about looking out for enemies and making sometimes our friends turn enemies.

SHRI A. D. MANI: Would the Minister give information about the nature of control which the European collaborators would like to have in the setting up of the refinery? Would they allow the refinery to be set up by Indians or would they like to retain control over every aspect of the setting up of the refinery?

SHRI HUMAYUN KABIR: These are details under negotiation and while the negotiations are in progress

I do not think it will be in public interest to divulge all the details. I can assure the hon. Member and the House that any proposal which we accept shall be in the interests of the country and the arrangement for the control of the refinery will also be in the interest of the country.

SHRI I. K. GUJRAL: May I ask the Minister if while finalising the arrangement with any group or with any countries this factor will also be kept in view of aggression by Pakistan and it is not repeated again that those countries stop the arrangement leaving it in mid air whenever they wish and may I know whether any clause will be put in the agreement that this sort of thing does not happen again?

SHRI HUMAYUN KABIR: I do not think any project which we have

undertaken has been stopped because of this and again we should not anticipate but every precaution will be taken to see that our interests are safeguarded.
