2. "This House notes with deep regret that, in spite of the uniform gestures of goodwill and friendship by India towards the People's Government of China on the basis of recognition of each other's independence, non-aggression and non-interference, and peaceful co-existence, China has betrayed this goodwill and friendship and the principles of Panchsheel which had been agreed to between the two countries and has committed aggression and initiated a massive invasion of India by her armed forces.
