QUARTERS FOR GOVERNMENT SERVANTS

*196. SHRI P. C. MITRA: Will the Minister of WORKS, HOUSING AND SUPPLY be pleased to state:

(a) whether it is a fact that a large number of officers of the Central Government, who are entitled to higher type of quarters, are occupying lower type of quarters mostly in Gole Market and Lody Colony areas;

(a) whether it is a fact that a large number of Central Government employees, who preferred SF type of quarters under the 'next below class' rule, have been denied quarters even in Ramakrishnapuram although they have served continuously under the Central Government for more than 16 years; and

(c) if so, the action taken by Government to mitigate the genuine difficulties of the employees who preferred SF type of quarters?

THE MINISTER OF WORKS, HOUSING AND SUPPLY (SHRI MEHR CHAND KHANNA): (a) Yes. These quarters were allotted to the officers before they became entitled to higher type of accommodation. Some quarters might have been allotted in the next below class according to the rules.

(b) 'F' type quarters at Ramakrishnapuram were classified in Regular 'F' class and not in 'SF' class. For purposes of allotment in the next below class the accommodation in 'SF' class and 'F*' class is treated as identical. It is, therefore, not correct to

say that such of the officers who preferred 'SF' class as their 'next below class' were denied appropriate accommodation in Ramakrishnapuram.

(c) Does not arise.
