PROCESSING OF IMPORT APPLICATIONS FROM SMALL-SCALE UNITS

375. SHRI KRISHNA CHANDRA: Will the Minister of COMMERCE AND INDUSTRY be pleased to state whether any time limits have been laid down for the completion of the various stages through which an import application from Small Scale Industry has to pass before a licence is finally despatched to the applicant and if so, the particulars thereof?

THE MINISTER OF INTERNATIONAL TRADE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI MANUBHAI SHAH): Applications from Small Scale Industries for raw materials, machinery and components, duly supported by Essentiality Certificates from the State Directors of Industries/Handloom, State Drug Control Authorities, or Textile Commissioner, as the case may be, are dealt with in the regional offices or Headquarters office of the Import Trade Control Organisation in accordance with the procedure laid down in the Import Trade Control Policy Book (Red Book). Applications for licences for machine tools for value exceeding Rs. 50,000 are, however, made to the Development Wing (Tools Directorate). For the current licensing period the last dates prescribed for submitting applications for essentiality certificates and applications for import licences in respect of items other than capital equipment, are 31-5-62 and 15-8-62, respectively. No specific time limit has been laid down for issue of the licence by the Import Trade Control Organisation but the applications are disposed of by them expeditiously.
