

very many ships are arriving in the Bombay and Calcutta ports. So far as we are concerned, there is no immediate necessity, but all the same Sir, that replacement will be done by the Pakistan Government at the earliest possible opportunity.

SHRI V. M. CHORDIA: Sir, the question is this. When we have paid the amount for the wheat we have purchased from America and when we have supplied that to the Pakistan Government without getting any money, on the basis that they will supply it to us when we need it, who will bear the interest charges that will be due on that amount?

SHRI A. M. THOMAS: Sir, this wheat is received under PL. 480 and Pakistan is also receiving wheat under PL. 480. So, there is no question of any cash payment either by us or by the Pakistan Government. It is only a question of adjustment. I do not think it is fair for the hon. Member to draw any adverse inferences in regard to this matter.

श्री भगवत नारायण भार्गव : क्या मैं जान सकता हं कि अब तक इन पाच वर्षों में २० लाख रुपये में से कितना रुपया किन किन सड़कों पर खर्च किया जा चुका है ?

DR. D. S. RAJU: Sir, I have no details with me now.

SHRI A. M. TARIQ: Can the hon. Minister tell me the amount which we spend per mile, and what is the total mileage of these roads—only Rs. 20 lakhs have been sanctioned?

DR. D. S. RAJU: Sir, there are only about 31 roads to be widened or improved. I cannot give the actual length of each road offhand. I require notice for it.

SHRI FARIDUL HAQ ANSARI: May I know why it is that the roads in New Delhi generally have not been repaired for the last seven or eight years and if any repairs are undertaken, it takes months together to finish those repairs?

DR. D. S. RAJU: Sir, there is heavy traffic on the roads and that is why they get bad very soon and, therefore, it takes time to undertake those repairs.

DR. A. SUBBA RAO: May I know when the widening of these roads will be completed or is expected to be completed?

DR. D. S. RAJU: By this year at least. We have sanctioned about Rs. 20 lakhs for this year.

MR. CHAIRMAN: Next question.
