

when it comes here, may be acceptable to this House?

SHRI N. KANUNGO: After it is moved in the other House it will come here.

SHRI BHUPESH GUPTA: May I have the assurance, Sir, that this policy of the Government for having such a Committee will not be scuttled by anybody and that very soon we are going to have a Committee of this kind consisting of Members of both the Houses of Parliament?

SHRI N. KANUNGO: I think I have made myself sufficiently clear.

#### PATTERN OF ASSISTANCE FOR 'KHADI' DEVELOPMENT

♦14. SHRI M. P. BHARGAVA: Will the Minister of COMMERCE AND INDUSTRY be pleased to refer to the answer given to Unstarred Question No. 241 in the Rajya Sabha on the 8th May, 1962 and state whether any decision has since been taken to appoint a committee to review the pattern of assistance for Khadi development?

THE MINISTER OF INDUSTRY IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI N. KANUNGO): No, Sir.

SHRI M. P. BHARGAVA: May I know, Sir what are the specific recommendations of the Estimates Committee in this connection and where is the hitch in implementing the recommendations of the Estimates Committee?

SHRI N. KANUNGO: The recommendations of the Estimates Committee and its report have been sent for the comments of the Commission. As soon as the comments and suggestions of the Commission are received the Government will move in the matter. After all, the Commission is an autonomous body and they have got to implement it.

SHRI M. P. BHARGAVA: May I know, Sir, the date on which these

recommendations were sent to the Commission and how long they have been with the Commission?

SHRI N. KANUNGO: I am sorry, I have not got the dates.

SHRI BHUPESH GUPTA: May I know, Sir, whether the attention of the Government is drawn to the fact that in a number of cases the assistance given is misused—they have defalcated—and that the matter has been reported also in the official report. May I know, Sir, in view of this what steps the Government is taking to prevent improper use of public funds?

SHRI N. KANUNGO: The general nature of the allegations of the hon. Member is not correct. There have been cases of accounts not being produced in time and there have been cases of lapses by institutions and officers of the Commission but they are not of such a big order. As far as the question of misuse of funds is concerned, that is not correct.

SHRI M. P. BHARGAVA: May I know, Sir, whether there is any proposal before the Government for appointing a committee to go into the working of the Khadi Commission?

SHRI N. KANUNGO: No, Sir. There is a proposal for amendment of the Commission Act.

SHRI DEOKINANDAN NARAYAN: May I know, Sir, if it is not a fact that all the money practically is disbursed through the State Boards?

SHRI N. KANUNGO: Yes, Sir, largely. Also some direct by the Commission to certain institutions.

#### INDUSTRIAL LICENCES

•15. SHRI M. P. BHARGAVA: Will the  
Minister of COMMERCE AND INDUSTRY be  
pleased to refer to the answer given to Starred  
Question No. 74 in the Rajya Sabha on the  
25th April, 1962 and state:

(a) what was the total number of  
industrial licences given during the three  
years ending 31st March, 1962;

(b) how many of these industrial units  
have started functioning;

t[ ] Hindi transliteration.

(c) how many of the 817 licences have  
since been cancelled; and

(d) how many of these licences involved  
foreign collaboration?

THE MINISTER OF INDUSTRY IN THE  
MINISTRY OF COMMERCE AND  
INDUSTRY (SHRI N. KANUNGO): (a) 4,237  
(Four thousand two hundred thirty seven)  
licences have been granted under the  
Industries (Development and Regulation) Act,  
1951, during the period from 1-4-1959 to 31-  
3-1962.

(b) to (d) The information is being  
collected and will be laid on the Table of the  
House.

SHRI M. P. BHARGAVA: May I know,  
Sir, whether it is a fact that a large number of  
industrial licences are subsequently cancelled  
or not availed of? If that is a fact, whether any  
enquiries have been made to find out why it is  
so?

SHRI N. KANUNGO: As I have said, we  
are reviewing the matter and after the  
information is collected we will place it  
before the House.

SHRI BHUPESH GUPTA: Is the hon.  
Minister aware that some kind of trading goes  
on even in the matter of industrial licences  
which have been granted? That is why they  
are sometimes delayed, they do not mate-  
rialise immediately. Is he aware of such  
things?

SHRI N. KANUNGO: The assumption of  
the hon. Member is absolutely incorrect. In  
fact, it is these days difficult to find  
entrepreneurs to go in for industries.

SHRI T. S. PATTABIRAMAN: May I  
know, Sir, whether a time-limit is fixed for  
the issue of these licences and whether the  
time-limit is strictly adhered to?

SHRI N. KANUNGO: Yes, Sir, in the Act  
itself the time-limit is mentioned and it is  
insisted upon unless there are actual  
difficulties.

MR. CHAIRMAN: The question hour is  
over.
