

troupe per year. Each troupe will be paid an initial grant up to Rs. 8,000 for purchase of stage equipment and Rs. 400 for each performance. Negotiations with two troupes, one each in Madhya Pradesh and Gujarat have been completed under this Scheme. The troupes are expected to commence functioning shortly. Under the latter scheme, 40 folk play parties and 40 folk song parties are to be trained in publicity programmes during the Third Plan period for periods varying between one and two months depending upon the complexity of the medium. For this purpose 2 Producers, one each for the Northern and Southern India are to be engaged. The selection of Producers and the folk parties is being finalised.]

*In Production.

scale industries, the officers visit the selected area, hold discussions with the industrialists and entrepreneurs, guide them regarding suitable lines of investment, give model schemes, render technical assistance and help in getting loans etc. from the concerned agencies. The campaign is lunched in four stages: first phase—a quick survey of the industrial potentialities of the area selected. Second phase—Officers of the Central Government, State Government and National Small Industries Corporation contact the prospective entrepreneurs. Third phase—propaganda and publicity regarding the industries having good prospects in the area and facilities available for their development. Fourth phase—assistance in the setting up of the units—preparation of schemes—technical assistance, financial assistance etc.

(c) Hardoi.—38 new small scale units with an investment of Rs. 1,81,800 and employment of 91 persons have been started in various industries like agricultural implements, furniture, leather, ropes, card board, chalk candle and lac, brass wares, hosiery, darri, perfumery, lime,
