THE MINISTER OF HEALTH (DR. SUSHILA NAYAR): (a) to (c) A statement is laid on the Table of the Sabha.

STATEMENT

The President of the Medical Council of India in his Presidential address delivered at the 57th Session of the Council *inter alia* observed that in the revised Under-graduate Medical Curriculum, drawn up for consideration of the Council, importance had been laid on the study of Social and Preventive Medicine and more emphasis was to be given on seminars, discussions, conferences, clinical and practical teaching than on didactic lectures. He felt that with the changes made in the curriculum and re-
