

orientation in teaching methods. it would be possible to produce doctors better trained and equipped than now. As the respective Universities are concerned with the curriculum, it is for them to consider the recommendations which will be forwarded to them by the Council.

DHRUVARAN THERMAL POWER PLANT

♦254. SHRI M. C. SHAH: Will the Minister of IRRIGATION AND POWER be pleased to state what decision has been taken On the request of the Government of Gujarat that the Thermal Power Station at Dhruvaran should have double the proposed capacity to meet the extreme shortage of power in the State?

THE MINISTER OF STATE IN THE MINISTRY OF IRRIGATION AND POWER (SHRI O. V. ALAGESAN): The scheme is being considered for inclusion in the Fourth Plan. The question of permitting commencement of work thereon during the Third Plan will also be considered after the detailed project report is prepared by the State Government.

ELECTION AND FUNCTIONING OF PANCHAYATS

/DR. A. SUBBA RAO: \ SHRI BHUPESH GUPTA:

Will the Minister of COMMUNITY DEVELOPMENT, PANCHAYATI RAJ AND CO-OPERATION be pleased to state:

(a) whether Government are aware of the serious complaints made by different political parties and others regarding the election and functioning of the panchayats; and

(b) whether in this connection Government have issued any instructions to the State Governments to have consultations with the various political parties and others in order to remedy the shortcomings and weaknesses of the present system of panchayats?

THE DEPUTY MINISTER IN THE MINISTRY OF COMMUNITY DEVELOPMENT, PANCHAYATI RAJ AND CO-OPERATION (SHRI S. D. MISRA): (a) and (b) Government has not received any formal complaint from political parties. There have been, however, criticisms regarding the system and conduct of some elections as also generally about the functioning of Panchayats. The manner in which Panchayats and Panchayati Raj institutions are functioning is under constant review by the State Governments as also the Central Government, and every endeavour is being made to devise suitable remedial measures after careful study.
