The House met at eleven of the clock, MR.
CHAIRMAN in the Chair

ORAL ANSWERS TO QUESTIONS**SAINIK SCHOOL IN UTTAR PRADESH**

*395. SHRI M. P. BHARGAVA: Will the
Minister of DEFENCE be pleased to state:

(a) whether there is any proposal for
opening a Sainik School in Uttar Pradesh;

(b) on what basis Sainik Schools are
opened in a particular State;

(c) what are the academic qualifications
and age limits for gaining admission to these
Schools; and

(d) how is the admission made to these
Sainik Schools?

THE DEPUTY MINISTER IN THE
MINISTRY OF DEFENCE (SHRI D. R.
'CHAVAN'): (-a) There is no current proposal to
open a Sainik School in
U.P.

(b) The initiative for opening a school in
any State must come from State Government.

(c) Boys within the age group 8-14 years
who have V to IX standard of education are
eligible to apply for admission.

(d) Admissions are made on the results of
competitive Entrance Examination held at
various centres but on the basis of an all-India
standard.

SHRI M. P. BHARGAVA: May I know,
Sir, how many Sainik Schools are there at
present and the States in which they are
located?

SHRI D. R. CHAVAN: There are nine
Schools at present, Sir, and they are located in
various States.

SHRI M. P. BHARGAVA: Which are those
States?

242 RS— 1.

SHRI D. R. CHAVAN: Sir, one is at Satara.

SHRI V. K. KRISHNA MENON: Sir, this
question relates only to U.P. About other
States I would like to have notice.

SHRI M. P. BHARGAVA: Sir, I have not
been able to follow what the hon. Minister
has said.

MR. CHAIRMAN: He says that your
question was specifically about U.P. You
have asked whether there is any proposal for
opening a Sainik School in Uttar Pradesh.
Now, you are extending it—how many Sainik
Schools are there and where are they located
and all that.

SHRI M. P. BHARGAVA: Sir, it is all a
connected matter. I am not bringing in
anything new.

SHRI V. M. CHORDIA: Sir, part (b) of the
question says 'On what basis Sainik Schools
are opened in a particular State'. So, the hon.
Minister should answer that question about
States.

MR. CHAIRMAN: On what basis are
Sainik Schools started in different States?
That is what he asks.

SHRI V. K. KRISHNA MENON: Sir, the
initiative or the requirement for Sainik
Schools must come from the States, because
these Schools involve a heavy financial
responsibility and also there is that
responsibility for imparting education.
Therefore, it is only when a State takes the
initiative that we in the Government of India
can consider it. But the initiative must come
from the States.

SHRI M. P. BHARGAVA: May I know
whether any (representation has been received
from the State of Uttar Pradesh for
establishing a Sainik School there?

SHRI V. K. KRISHNA MENON: No, Sir.

श्री विमलकुमार मन्नालालजी चौरङ्गिया :
क्या माननीय मंत्री महोदय बतायेंगे कि सैनिक

स्कूलों के लिये केन्द्रीय शासन के द्वारा क्या क्या सहायताएं दी जाती हैं ?

SHRI V. K. KRISHNA MENON: The Defence Ministry is responsible for some of the staff and administration. They provide a certain number of scholarships for the children of Service people. Its control is under a Council where the Chief Ministers of the States, which have Sainik Schools, sit.

SHRI A. D. MANI: I would like to draw the attention of the hon. Minister to part (b) of the question, which states as follows:

"On what basis Sainik Schools are opened in a particular **State.**"

Does not mean—from his answers—that if a particular State asks for a Sainik School, it will automatically be granted without the other conditions being fulfilled?

SHRI V. K. KRISHNA MENON: No, Sir. It will depend on the various circumstances, Sir. The initiative must come from the States and then we have to see and examine whether it is possible or not and whether a sufficient number of students in that area will be coming forth, and Sainik Schools, Sir, are based on the conception that they must be all-India schools with certain all-India standards.

SHRI M. P. BHARGAVA: May I know, Sir, the financial arrangements as between the Centre and the States for opening these Schools?

SHRI V. K. KRISHNA MENON: Although it is another question, I will answer it, Sir. The States normally provide land, buildings and equipment, unless the Defence Ministry has any land for this purpose. They provide a large number of scholarships, through their various educational bodies, from their revenues. Of course, scholarships may be paid by the Central Government or by the State Governments or by anybody

else. The commitment of the States is in regard to the basic expenditure.

SHRI N. M. LINGAM: May I know, Sir, the specified object with which the Schools are being opened all over the country?

SHRI V. K. KRISHNA MENON: Sir, the specified object is to prepare boys for the National Defence Academy by imparting public education to them.

SOME HON. MEMBERS: May we know, Sir . . .

MR. CHAIRMAN: That is all. Next question.

राष्ट्रीय कोयला विकास निगम के नाम हस्तांतरण विलेख का लिखा जाना

*३९६. श्री भगवत नारायण भार्गव : क्या खान तथा ईंधन मंत्री यह बताने की कृपा करेंगे कि क्या यह सच है कि राष्ट्रीय कोयला विकास निगम, जो १९५६ में स्थापित किया गया था और जिसको भूतपूर्व सरकारी कोयला खानों की सारी पूंजी और ऋण आदि हस्तांतरित किये गये थे, के नाम अभी तक कोई नियमित हस्तांतरण विलेख नहीं लिखा गया है ; यदि हां, तो इसका क्या कारण है ?

EXECUTION OF TRANSFER DEED INFAVOUR OF N.G.D.C.

*396. SHRI B. N. BHARGAVA: Will the Minister of MINES AND FUEL be pleased to state whether it is a fact that no regular transfer deed has yet been executed in favour of the National Coal Development Corporation which was set up in 1956 and to whom all capital and loans, etc., of the ex-State collieries were transferred; if so, what is the reason therefor?!

खान तथा ईंधन मंत्रालय में उपमंत्री (श्री आर० एम० हजरतबीस) : भूतपूर्व सरकारी कोयला खानों का स्वामित्व और प्रबन्ध राष्ट्रीय कोयला विकास निगम को पहली अक्टूबर, १९५६ को हस्तान्तरण
