

/mes so far opened by the item Railway and the places these homes have been open-

THE DEPUTY MINISTER OF RAILWAYS (SHEI SHAH NAWAZ KHAN): There is no holiday home on the North-Eastern Railway at present. The question of setting up a holiday home is under consideration of the North-Eastern Railway Administration.

SHRI FARIDUL HAQ ANSARI: May I know as to how long it will take for the North-Eastern Railway to have such a home?

SHRI SHAH NAWAZ KHAN: I hope they will have it fairly soon.

SHRI JASWANT SINGH; I would like to know whether there are any uniform rules for the different sections of the Railways in regard to matters like holiday homes, etc.?

SHRI SHAH NAWAZ KHAN: The instructions are common but sometimes it takes time for different Railways to implement those instructions. I might inform the hon. Member that the North-Eastern Railway, when it was joined with the N.F. Railway had a holiday home at Kurseong but that had to be taken over by the Engineer-in-Chief's Administration. They are now actually negotiating to purchase some property at Naini Tal to establish their home there.

THE MINISTER OF HEALTH (SHRI D. P. KARMARKAR); The Government of Mysore submitted estimates for

pipied water supply schemes in January, 1960 for approval under the National Water Supply and Sanitation Programme (Rural). SHRI N. SRI RAMA REDDY: May I know whether the hon. Minister will be prepared to reconsider this scheme if the whole thing is redrafted and submitted by the Mysore Government?

SHRI D. P. KARMARKAR: As I said earlier, the difficulty was that these schemes under the National Water Supply and Sanitation Programme (Rural) were for water supply for multiple villages. The scheme submitted was for individual villages and, therefore, they could not be approved under the National Water Supply scheme but there is provision under the Development Fund where-from even single villages could be helped.
