

accordance with the provisions of Fundamental Rule 45-C. Eligibility of officers for various classes of accommodation is determined with reference to the "emoluments" as defined in the allotment rules. For this purpose the compensatory (city) allowance is not taken into consideration in determining the emoluments. The allowance is paid to Government servants only in certain cities where the cost of living is high and is related to the expensiveness of the city. The class of accommodation to which an officer is entitled is co-related to his status normally determined by pay. The Government do not propose to change the existing rules. Moreover, the inclusion of this allowance in "emoluments" for the purpose of allotment is not likely to be of much practical benefit to the officers concerned in securing allotment of higher class accommodation.

(ख) जो आशा थी उसका कुछ हिस्सा पूरा हो गया है। मरकरी योगिक तथा कापर आकसीक्लोराइड के उत्पादन की क्षमता स्थापित की जा चुकी है। कुछ ऐसी परिस्थितियों के कारण जिन्हें रोका नहीं जा सकता था २४ डी० तथा मेलैथियन के उत्पादन में कुछ विलम्ब हो गया है।
