

तहों में भी विभंग (faulting) या विस्थापन (dislocation) पाया जाता है। उच्च निपीड गैस (high pressure gas), गर्म पानी और असामान्य तापों के कारण व्यघन में जटिलता उत्पन्न हुई है। अतः ऐसी स्थितियों, जिनको पहले बताया न जा सकता था, का सामना होने के कारण इस संरचना या तेल मिश्रित रेतों का वास्तविक चित्रण करना अति कठिन पाया गया है।

†[THE MINISTER OF MINES AND OIL (SHRI K. D. MALAVIYA): (a) and (b) The position on is that the structure has been found to be far more complicated than had been indicated by seismic studies. The thickness, porosity and content of oil etc. in the oil sands is not uniform. There has also been faulting or dislocation of sand beds. The drilling is rendered complicated on account of high pressure gas, hot water and abnormal temperatures. An exact delineation of the structure or of the oil sands has, therefore, been found to be very difficult on account of unpredictable conditions which are being encountered.]

श्री नवाबसिंह चौहान : कब तक हम आशा करें कि हम प्रिंसाइज आइल स्ट्रक्चर का डाटा प्राप्त कर सकेंगे ?

श्री के० डी० मालवीय : डाटा तो मिल ही गया है, लेकिन वक्त वक्त पर जैसे जैसे तेल के कुएं खोदे जायेंगे, तसवीर और साफ होती जायेगी और तेल की मात्रा का अंदाजा हमको मालूम होता जायगा, उसको दोहराते भी जायेंगे। यह आइल फील्ड्स का सामान्य कायदा है कि कुएं जैसे जैसे ज्यादा तादाद में खुदते जाते हैं वैसे वैसे उनके बारे में ठीक ठीक अनुमान लगता जाता है।

श्री नवाबसिंह चौहान : क्या अब तक जितने कुएं खोदे गये हैं उनका प्रिंसाइज आइल स्ट्रक्चर मालूम नहीं हुआ है और अब तक

जो बातें मालूम हुई हैं उनके मुताबिक तेल को निकालना क्या इकानामिक होगा ?

श्री के० डी० मालवीय : जी हा, यह तो मैंने कह ही दिया है कि खंभात के क्षेत्र से तेल निकाला जायगा और इसी साल छः, सात, आठ महीने के बाद खंभात से तेल उत्पादन करना हम प्रारम्भ कर देंगे।

SHRI TAJAMUL HUSAIN: I want to know the method by which oil was discovered in Saudi Arabia and other countries and also whether we are employing the same method in India or not.

SHRI K. D. MALAVIYA: Yes, Sir. More or less exactly the same scientific methods are being adopted and in an improved way now, because more knowledge has been acquired since the second world war.

श्री नवाबसिंह चौहान : आसाम आइल कंपनी की खोज का य नतीजा हुआ—क्या उस सम्बन्ध में कुछ प्रकाश डाल सकते हैं ?

श्री के० डी० मालवीय : जी हा, आसाम आइल फील्ड में भी जब पहले पहल तेल कूता गया था तब से उसकी मात्रा वक्त वक्त पर दोहरायी जाती है। अभी हाल में जो उनका रिवीजन हुआ है वह पहले की बतायी हुई मात्रा से कुछ कम हो गया है।

RECOMMENDATIONS OF THE ADVISORY COMMITTEE OF LIBRARIES

*3. SHRIMATI SAVITRY DEVI NIGAM: Will the Minister of Education be pleased to state the number of recommendations of the Advisory Committee of libraries which have been fully accepted and implemented by Government?

THE MINISTER OF EDUCATION (DR. K. L. SHRIMALI): A statement is laid on the Table of the Sabha.

STATEMENT

The Government of India is concerned with 17 recommendations of the Advisory Committee for libraries. The following nine recommendations have been accepted and instructions to various agencies concerned have been issued for their implementation:—

1. Library Service should be free to every citizen of India. Chapter IV Recommendation No. 1.
2. The library pattern in the country should consist of National Library, State Central Libraries, District Libraries, Block Libraries and Panchayat Libraries. Chapter IV, Recommendation No. 2.
3. Library associations are essential to the development of library movement and State Governments and Government of India should encourage development of strong library associations. Chapter V, Recommendation No. 2.
4. Government should give financial assistance to library associations for the following purposes: Chapter V, Recommendation No. 3.
 - (a) rent for premises of headquarters office ;
 - (b) remuneration of one wholetime or part-time Secretary or office clerk ;
 - (c) project of general usefulness to library movement which Government may like to sponsor.
5. Public libraries in the country should co-operate with one another public libraries, as well as subscription libraries, school libraries, college libraries departmental and research libraries and university libraries etc. Chapter V, Recommendation No. 7.
6. Pending establishment of efficient reference sections in public libraries, Government departmental and research libraries should assist them in compiling

annotated booklists on their special subjects and in answering reference enquiries from the public etc.

7. The University library should co-operate with the public library system by: Chapter V, Recommendation No. 11.
 - (a) issuing booklists on subjects of interest to certain groups in the public.
 - (b) admitting as regular members the more serious minded readers among the public.
 - (c) perform reference functions of the State Central Library, where these libraries are not yet established.
 8. The Central Ministry of Education should organise every year at least one all-India seminar or a workshop of librarians and liberally subsidise at least two regional seminars ; Chapter VI, Recommendation No. 11(a).
 - (This recommendation has been accepted with the modification that the work should be given to Indian Library Association, Calcutta).
 9. Chief librarians at all levels should be associated with the selection of staff at their level. Chapter VI, Recommendation No. 19.
- 5 of the recommendations are under consideration. These are:
- Chapter IV—Recommendations No. 24, 25 and 26.
- Chapter IX—Recommendations No. 3 and 8.
3. Recommendations have not been accepted. These are:
- Chapter IV—Recommendation No. 27.
- Chapter V—Recommendation No. 12.
- Chapter IX—Recommendation No. 1.

SHRIMATI SAVITRY DEVI NIGAM: May I know, Sir, how many regional seminars were organised during the year 1959-60 and also how much grant was given to the Library Association for this purpose?

DR. K. L. SHRIMALI: Well, Sir, this is a different question. If the hon. Member puts a separate question, I shall answer it.

SHRIMATI SAVITRY DEVI NIGAM: Sir, it has been stated in this Statement against item No. 4(c) as follows:

“project of general usefulness to library movement which Government may like to sponsor.”

May I know if any such project was sponsored by the Government during the year 1959-60?

DR. K. L. SHRIMALI: The hon. Member will see that this Statement deals with a number of recommendations. It is not possible for me now to answer each and every question on the floor of this House on all these recommendations. She will have to put me separate questions.

SHRIMATI SAVITRY DEVI NIGAM: Sir, I simply want to know if the Government, especially the Education Ministry, had sponsored any such project during the year 1959-60.

DR. K. L. SHRIMALI: As I have already stated, Sir, the hon. Member will have to put a separate question on this.

श्री पां० ना० राजभोज : क्या मंत्री महोदय कृपा करके यह बतायेंगे कि इन ग्रंथालयों की संख्या बढ़ाने के लिये लाइब्रेरी मूवमेन्ट को प्रोत्साहन देने के लिये तृतीय पंचवर्षीय योजना में कैसा तरतूद करने का सरकार का विचार है ?

डा० कालू लाल श्रीमाली : आप इस रिपोर्ट को देखियेगा तो आपको उसका अंदाजा लग जायेगा ।

SHRIMATI SAVITRY DEVI NIGAM: May I know, Sir, if the hon. Minister has got any idea with regard to the number of libraries which have been given any grant by the Education Ministry?

DR. K. L. SHRIMALI: Yes, Sir, grants have been given, but it is not possible for me to say how much grant and to which library because it does not arise out of this question.

*4. to *6. [The questioner (Shri M. P. Bhargava) was absent. For answers, vide cols. 68—70 infra].

REPORT OF THE ALIGARH MUSLIM UNIVERSITY ENQUIRY COMMITTEE

*7. **SHRI DAHYABHAI V. PATEL:** Will the Minister of Education be pleased to refer to the answer given to Starred Question No. 354 in the Rajya Sabha on the 13th December, 1960 and state:

(a) whether Government have since received a copy of the report of the Aligarh Muslim University Enquiry Committee;

(b) if so, when it is to be made available to Members of Parliament; and

(c) whether Government propose to take any action in the matter; if so, what?

THE MINISTER OF EDUCATION (DR. K. L. SHRIMALI): (a) Yes, Sir.

(b) The University has taken steps to print the copies of the Report and the same will be made available to Members of Parliament as soon as received.

(c) On receipt of the Report, the University authorities took steps to call a special meeting of the Executive Council on the 12th and 13th February, 1961 to consider the Report and to formulate its views thereon. Government will examine the Report in the light of the Executive Council's comments, when received, with a view to deciding further course of action.
