(b) if so, whether the report is correct?

THE PRIME MINISTER AND MINISTER OF EXTERNAL AFFAIRS (SHRI JAWAHARLAL NEHRU): (a) and (b) The talks between the Prime Minister and Chancellor Adenauer at their brief meeting at the Bonn airport were chiefly concerned with the preservation of peace and the avoidance of anything that might increase world tensions. This was stated by the Prime Minister subsequently to newspapermen at the airport when Chancellor Adenauer was present. The Chancellor did not make any statement then.
