REPRESENTATION REGARDING INCREASE IN LICENCE-FEE ON POWERLOOMS

*460. SHRI DEOKINANDAN NARAYAN: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether representations have been received by Government from users of powerlooms regarding the recent increase in the licence-fee to Rs. 500 per loom;

(b) if the reply to part (a) above be in the affirmative, whether Government have taken any decision on these representations; and

(c) if so, what is that decision?

THE MINISTER OF COMMERCE (SHRI N. KANUNGO): (a) Yes, Sir.

(b) and (c) The points raised in the representations are still under the consideration of the Government.

SHRI DEOKINANDAN NARAYAN: May I know the reason for this abnormal rise in the registration fee?

SHRI N. KANUNGO: This is not a registration fee. This fee is being proposed to be levied from power-looms which have been operating without the texmark and without the permission of the Textile Commissioner. They have not been paying any dues. In other words, they are unauthorised powerlooms which are liable for prosecution and sealing.

SHRI DEOKINANDAN NARAYAN: May I know the reason for this abnormal rise?

SHRI N. KANUNGO: It is not an abnormal rise. As I "tried to show, this is not a registration fee but a fee that is being charged from those powerlooms which have been operating without any legal authority for a number of years.

SHRI DEOKINANDAN NARAYAN: May I know the number of such

J
looms that are working there in an unauthorised way?

SHRI N. KANUNGO: It is a little more than 32,000.

SHRI DEOKINANDAN NARAYAN: May I know the number of all power-looms that are working today in India?

SHRI N. KANUNGO: The registered powerlooms may be round about 40,000 but I am not sure of the number.

SHRI DEOKINANDAN NARAYAN: How many of them are working tinder co-operatives?

SHRI N. KANUNGO: I cannot give the exact number but the number is not large. The number is small and that too relates to those units which have been developed in the last four or five years.

SHRI FARIDUL HAQ ANSARI: Does the hon. Minister realise that the people who are carrying on this profession are generally poor people and that by imposing a fine of Rs. 500

on these people they will be forced to close down their business?

SHRI N. KANUNGO: As I said, Sir, the matter is still under consideration, but I would like to draw the attention of the House to the fact that these unauthorised powerlooms are liable for prosecution and to the scrapping of the looms but we are offering them an alternative.

SHRI N. SRI RAMA REDDY: Does the hon. Minister know that there are a large number of weavers in Bangalore called the JVakki weavers, ribbon weavers, who operate their machines with only 1(16 horse power machines and that these people also have been classified under the powerlooms with the result that there has been a great deal of hardship caused in Bangalore?

SHRI N. KANUNGO: If ribbon is woven on narrow with looms, it will not be covered.
