

THE MINISTER OF INDUSTRY (SHRI MANUBHAI SHAH): (a) and (b). A statement is laid on the Table of the House.

#### STATEMENT

The Central Government decided to start 15 Production Centres during 1957-58 throughout the country for providing employment to educated unemployed. Out of the 15 Centres, one Centre was to be located in the Industrial Estate set up at Gauhati in Assam. That Centre was to take up cycle assembly and manufacture of cycle parts.

The cost of the machinery to be imported from abroad for all these 15 Production Centres was estimated at Rs. 62-25 lakhs. In view of the acute foreign exchange shortage, it was decided that the question of starting these Production Centres should be deferred.

SHRI LILA DHAR BAROOAH: May I know whether the party who has got the cycle manufacturing licence in Assam has started his factory? If the party has started his factory, may I know whether Government has any information about the production report?

SHRI MANUBHAI SHAH: Yes, Sir, the licence has been granted to a party in Gauhati, and production will start in another six months. All the preparations are being made by the party.
