(a) the progress so far made by the Commission of Inquiry in the investigation of the affairs of the Dalmia concerns; and

THE MINISTER OF INFORMATION AND BROADCASTING (DR. B. V. KESKAR): (a) and (b). I was presiding over the Regional Information Conference where Dr. B. C. The information supplied to Dr. Roy was incorrect in certain aspects as, in fact, the rural and industrial programmes are prepared in collaboration with the representatives of the State Governments.

In my reply, which probably has not appeared in the papers, I clarified the position.
