

SHRI BHUPESH GUPTA: How is the security of India endangered if some students go to the United States or to some other country, or even to the U.S.S.R., for that matter?

(No reply)

SHRI M. H. SAMUEL: Is it a fact that a Peoples' University has been established in Moscow, that the Russian Government has asked for applications to be sent by students direct to Moscow and that some people have already gone there?

DR. K. L. SHRIMALI: That question hardly arises from the present question.

DEATH OF A HUNGER STRIKER IN AGARTALA

SHRI BHUPESH GUPTA

DR. Z. A. AHMAD:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government are aware that Shri Nripen Chakravarty, Leader of the Communist Block in the Tripura Territorial Council, and a number of other persons, who had been on hunger strike for some days in protest against certain decisions of the Ministry of Rehabilitation were removed forcibly by the armed police at about midnight on May 18, from the *Durgabari Mandap*, Agartala, to the local jail;

(b) whether this was done in prior consultation with the Minister or his Ministry; and

(c) whether it is a fact that one of the hunger strikers, Shri Biswambar Namadas, who was so removed, died in the early hours of May 20?

THE MINISTER OF HOME AFFAIRS (SHRI GOVIND BALLABH PANT): (a) About 108 families of displaced persons in Tripura took rehabilitation loans before 1955. Subsequently, the rates of loan were enhanced and these families

tThe question was actually asked on the floor of the House by Shri Bhupesh Gupta.

claimed payment at the revised rates. In accordance with the policy of the Ministry of Rehabilitation, the Tripura Administration did not agree to the payment at higher rates with retrospective effect. Consequently, a batch of 19 displaced persons went on hunger strike on 18-4-60 at Durgabari in Agartala. Another batch of 34 persons under the leadership of Shri Nripen Chakravarty joined them on 8-5-1960. The hunger strikers refused to get themselves examined by the doctors of the Tripura Administration. In view of the deterioration in their condition and their refusal to avail themselves of proper medical attention, the hunger strikers were placed under arrest On 18-5-1960 under section 309 of the IPC and section 11 of the West Bengal Security Act and removed to Agartala jail.

(b) The maintenance of law and order in the territory is the responsibility of the Tripura Administration and does not require prior consultation with the Government of India.

(c) Yes. Nine of the arrested persons including Shri Biswambar Namadas, were found, on medical examination, to be in a very unsatisfactory condition and were immediately removed to the hospital. Unlike others, Shri Biswambar Namadas refused to break his fast till the evening of 19-5-1960 when the strike was formally called off. He then took the prescribed food but by that time his condition had deteriorated so much that all injections and medicines proved futile and he unfortunately expired at 2.45 A.M. on 20-5-1960.

SHRI BHUPESH GUPTA: I was there on the 19th. May I know whether it is not a fact that even in such bad conditions after they had been on hunger strike they were removed by a big contingent of police force who pounced upon them and assaulted them and death was due to this kind of assault and use of force on them? May I also know—I wrote a letter—whether there has been any investigation?

SHRI GOVIND BALLABH PANT: I do not think it is so. In fact the Administration took unusual steps in order to save their lives and removed them to the hospital and before that they deputed their own medical experts to look after them though it was not their duty and still they persisted in this hunger strike.

MR. CHAIRMAN: The question hour is over.
