

SHRI L. N. MISHRA: It is not a fact. They have been promoted, as I said earlier, on the basis of their confidential reports, and their service records.

SHRIMATI SAVITRY DEVI NIGAM: Has any committee been formed to consider the cases of those who are given departmental promotion?

SHRI L. N. MISHRA: No committee has been formed but I might inform the House that the hon. Member took up this case some time ago. She wrote a letter to the Planning Commission enclosing some papers and giving some instances. That paper was examined fully and the Planning Commission came to the conclusion that there has been no favouritism or anything wrong.

TIBETANS IN HIMACHAL PRADESH

*482. **SHRIMATI SAVITRY DEVI NIGAM:** Will the PRIME MINISTER be pleased to state the number of Tibetan families which crossed over into Himachal Pradesh during the months of June and July, 1960?

THE DEPUTY MINISTER OF EXTERNAL AFFAIRS (SHRIMATI LAKSHMI MENON): 604 Tibetan refugees entered Himachal Pradesh in June, and 386 in July, 1960.

SHRIMATI SAVITRY DEVI NIGAM: May I know whether these families are going to be rehabilitated in Himachal Pradesh or in some other State?

SHRIMATI LAKSHMI MENON: They are being rehabilitated in Kinnar District in Himachal Pradesh.

SHRIMATI SAVITRY DEVI NIGAM: What are the views of the State Government regarding the rehabilitation of these refugees? Has the State Government chalked out any plan regarding their welfare and employment?

SHRIMATI LAKSHMI MENON: The answer is already given. All these things are done in consultation with the State Government and as I have pointed out, they are being rehabilitated in Himachal Pradesh and those who cannot be rehabilitated either because they are old or infirm are looked after properly.

SHRIMATI SAVITRY DEVI NIGAM: May I know whether these people are being given land or whether they are being given some training in various arts and crafts so that they may be able to earn their own livelihood?

SHRIMATI LAKSHMI MENON: Just now they are merely engaged in road construction works.

SHRI MAHESWAR NAIK: May I know if movement of these refugees from one State to another is regulated by Government or they are free to move to any part of the country?

SHRIMATI LAKSHMI MENON: These people came into Himachal Pradesh and they are being rehabilitated in Himachal Pradesh.

SHRI MAHESWAR NAIK: But are they free to move from one State to another?

SHRI JAWAHARLAL NEHRU: There is no legal bar to their movement. But there would seem to be practical difficulties if they wandered about. The Government does not particularly approve of their wandering about because there are difficulties. They do not know the language and other difficulties are there.

SHRIMATI SAVITRY DEVI NIGAM: Is it not a fact that this road construction work is not going to last very long and is the Government thinking of giving them some other employment?

SHRIMATI LAKSHMI MENON: There are plans for long-term projects for the rehabilitation of these people. This is the immediate relief given to them.

SHRI FARIDUL HAQ ANSARI: May I know whether the Government has any information about the intentions of these people? Do they want to stay on in India or do they want to return to their homeland?

SHRI JAWAHARLAL NEHRU: I suppose since they have come here and since they have stayed on here, presumably they want to continue to stay on unless something happens which they pray for.
