THE MINISTER OF EDUCATION (DR K. L. SHRIMALI): (a) Yes, Sir.

SHRI FARIDUL HAQ ANSARI: May I know whether it is a fact that the first estimate of this house was for Rs. 37,000 or Rs. 38,000 and then about Rs. 1,25,000 has already been spent on thi, house?

DR. K. L. The matter was then referred to the architects and they suggested not to retain the then existing walls and foundations and they, therefore, prepared a revised estimate amounting to Rs. 81,800 for tht building. Later on an additional sum of Rs. 38,000 was sanctioned by the Executive Council. Thus the total amount sanctioned so far for the project comes to Rs. 1,19,800. Now the Registrar has also reported that an expenditure of Rs. 1,27,500 has already

been incurred and he has" further added that bills amounting to Rs. 4,000 are still outstanding. Thus the total according to the Registrar would be Rs. 1,31,500.

SHRI FARIDUL HAQ ANSARI: May I know when the first house was habitable and the previous Vice-Chancellor, Dr. Zakir Husain, was living in that house, what the necessity was for constructing a new building at such a high cost?
