

[Shri V. K. Krishna Menon.] not far away from Delhi. Indian Aircraft have not resorted to any hostile action in spite of the provocation in respect of the Canberra.

As reported to the House, the Government have already made an oral protest to Pakistan about the Canberra incident. With a due sense of responsibility and having regard to the seriousness of the incident Government have deliberately refrained from making any further communication to Pakistan or taking any other action in regard to this incident until the full facts have been investigated and our Airmen interrogated, and Parliament fully informed. Government will take all such steps as are legitimate and open to them according to the practice of civilized nations to secure the cessation of these violations of our territory and to obtain redress for the premeditated and wanton attack on our aircraft.
