SHRI M. H. SAMUEL: Next year a new census will be taken and the maps are going to be printed in September. Probably, in another five or six months these maps will become out of date. Will the Government consider doing it

a little earlier before the next census?

SHRI FARIDUL HAQ ANSARI: May I know, Sir, whether this Atlas will be published in all the regional languages?

DR. MONO MOHAN DAS: There is no such proposal before the Government at present.
