MR. CHAIRMAN: And about the free schooling of the children of the reservists?

SARDAR S. S. MAJITHIA: That does not come in.

SHRIMATI SAVITRY DEVI NIGAM: It has been stated in this Statement that other proposals are under consideration. May I know what are these proposals and how long it will take for the Government to implement these proposals?

MR. CHAIRMAN: They are under consideration, he says.

SHRI V. K. KRISHNA MENON: Government are not happy about the situation because these reservists are not free to take jobs, because possibly the employer does not want the reservist to be taken away by us sometimes. And to make any other arrangement for them the resources of the country are not adequate at the moment. That is why we are considering the matter.

TEAR-GAS AND LATHI-CHARGE ON REFUGEE DEMONSTRATORS NEAR JAMNAGAR HOUSE IN NEW DELHI

•150. SHRI FARIDUL HAQ ANSARI: Will the Minister of HOME AFFAIRS be pleased to state whether the refugee demonstrators led by several Delhi Municipal Councillors were tear-gassed and repeatedly lathi-charged by the police on the 31st March 1959, near Jamnagar House in New Delhi? If so, how many persons were injured and were the injured persons given any medical aid?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI B. N. DATAR) : Tear gas was used by the police to disperse the demonstrators after giving them repeated warnings. Lathis were used by the police to make a cordon to hold back the

demonstrators at the gate of the Jamnagar House, but no lathi-charge was made. The magistrate on duty asked the demonstrators if there was any one who had been injured. No one showed any injury.

SHRI FARIDUL HAQ ANSARI: May I know whether the hon. Minister has seen a report of the incident in the Statesman of April 1st in column 4, in which it is reported that people were lathi-charged and due to that several Councillors were injured and they were sent to hospital?

SHRI B. N. DATAR: There were some Municipal Councillors also and some complaints were received and Government have instituted an enquiry into the affairs that led to this.

SHRI B. K. P. SINHA: May I know what was the occasion or cause of this demonstration?

SHRI B. N. DATAR: Refugees or the rehabilitated persons had certain demands in respect of the property that was going to be sold by auction or tender. They had certain demands which were considered and which could not be accepted. Therefore, a large contingent of these people, as many as 800, went to Jamnagar House where there is the Chief Resettlement Officer's Office and they wanted to get into it.

SHRI H. V. TRIPATHI: What has been the result of the enquiry?

SHRI B. N. DATAR: The enquiry is going on, Sir.
