the Government of India with the Government of Pakistan.

DR. A. N. BOSE: What was the position of Tukurgram according to the Agreement? Was it surrendered to Pakistan, or was it retained by the Indian Union?

SHRIMATI LAKSHMI MENON: It is not surrendered to Pakistan. It is disputed territory, till all the disputes are settled finally. Just now it is in the hands of Pakistan.

DR. A. N. BOSE: Previously, in the last session, the Tukurgram territory, we were told by the Prime Minister, belonged to India, but held in occupation by Pakistan. Then how does it become disputed territory?

SHRIMATI LAKSHMI MENON: Disputed in the sense that the possession is with Pakistan; and in the Agreement, the arrangement was that Tukurgram will go to Pakistan when the final settlement about the border is decided.

DR. A. N. BOSE: In view of the violation of the Cease-fire Agreement, as stated by the hon. Deputy Minister, did any of the Ministers or the High Commissioner for India in Pakistan pay a visit to this locality?

SHRIMATI LAKSHMI MENON: I want notice, Sir.

DR. P. C. MITRA: May I know whether from such violation of the Cease-fire Agreement, there has been any loss of property to India?

SHRIMATI LAKSHMI MENON: The whole thing is given in the statement, Sir, which the hon. Member may see.

SHRI P. C. BHANJ DEO: May I know, Sir, if there is any proposal under the consideration of the Government to have the problem settled by referring the questions to any arbitration by an international body?

SHRIMATI LAKSHMI MENON: No, Sir.
