The bitters which are allowed to remain on the pan beds after salt has been scraped and collected throw out sodium sulphate which is deposited on the beds. This is also now more or less exhausted.

REFERENCE TO NOTICE FOR HALF-AN-HOUR DISCUSSION ON THE GANGA BARRAGE SCHEME

DR. A. N. BOSE (West Bengal): Sir, I have a point to submit. I gave notice for a half-an-hour discussion on the Ganga Barrage scheme some twelve days back. I do not know why that has not yet come up and why a statement is now offered as a substitute and that too after twelve days.

SUGGESTION RE CHAIRMAN OF THE PUBLIC ACCOUNTS COMMITTEE BEING APPOINTED FROM A NON-RULING PARTY

SHRI V. K. DHAGE (Bombay): Sir, I have another submission to make. You remember, Sir, that last year also I had raised this point. I understand from the press that the Chairman of the Public Accounts Committee has accepted another job and so there is a vacancy now. Last time I had raised the point that a Member of Parliament from the non-ruling Party should be made Chairman of the Public Accounts Committee. This is a convention which is followed in other parliaments also. Therefore, I suggest that you will please take suitable action in the matter and see that the Chairman of the Public Accounts Committee is a Member from a non-ruling Party.

DR. R. B. GOUR (Andhra Pradesh): Non-ruling Party? Does it exclude the Communist Party?

MR. CHAIRMAN: They are ruling in Kerala; they are excluded.

SHRI V. K. DHAGE: I had seen the Prime Minister also in this regard some time back and he was not so very unwilling to this proposition.
