(a) whether any restriction has been put on the import of books, journals and scientific instruments necessary for study and teaching in schools and colleges;

(b) if so, what is the saving in foreign exchange so far accrued as a result of imposition of such restriction; and

THE MINISTER OF COMMERCE (SHRI N. KANUNGO): (a) to (c). A statement is laid on the Table of the Sabha.

# STATEMENT

(a) Yes, Sir, Books, Periodicals, Magazines etc. which were under O.G.L. until the end of June 1957 were brought under licensing from July 1957 onwards. Scientific instruments which fall under different serial numbers of the Import Trade Control Classification have been subject to licensing but the import quotas for these items like almost all other items in the I.T.C. schedule have been reduced to conserve foreign exchange. But in order that schools, colleges and laboratories are not put to any difficulty in the matter of procuring scientific instruments, a provision has been made in the current import policy for the import of such of those instruments as are not indigenously available by technical and educational institutions.

(b) It is not possible to estimate the saving in foreign exchange as figures regarding utilisation of licences are not available.

(c) The policy for books and periodicals and scientific instruments for the next period cannot be anticipated at this stage.

माही और यनाम का अपने अपने निकट के राज्यों के साथ मिलाया जाना

\*६३०. श्री नवाब सिंह चौहान : क्या प्रधान मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या यह सच है कि पांडिचेरी के चीफ कमिश्नर श्री एम० के० कृपलानी ने २८ अगस्त, १९५८ को पत्र-प्रतिनिधियों को दी गई एक मुलाकात में कहा कि माही और यनाम को अपने अपने निकट के राज्यों में मिला दिया जाना चाहिए ; और

(ख) यदि उपर्युक्त भाग (क) का उत्तर 'हां' हो, तो क्या इस आशय की कोई योजना सरकार के विचाराधीन है; और यदि है, तो वह योजना क्या है ?
