PRIMARY HEALTH CENTRES

*381. SHRI DEOKINANDAN NARAYAN: Will the Minister of HEALTH be pleased to state:

(a) the number of Primary Health Centres so far opened in each State; and

(b) what medical help will be given from these Centres?

THE MINISTER OF HEALTH (SHRI D. P. KARMARKAR): (a) A statement showing the number of Centres reported by the State Governments to have been opened in N. E. S. Blocks in 1956-57 and proposed to be opened during 1957-58 is placed on the Table of the Sabha.

(b) The Primary Health Centres will provide an integrated preventive and curative medical service in rural areas. The ultimate aim of the Primary Health Centres will be to provide the following essential services:—

- Institutional and domiciliary medical care, with adequate emphasis on its preventive aspects, amongst others, maternal and child health, school health, and control of communicable diseases.
- Environmental sanitation.
- Health Education.
- Improvement of vital and health statistics, and
- Family Planning.
