

SHRI N. R. MALKANI: Will the hon. Minister be pleased to state where these will be included, in the category of movable property or immovable property?

SHRI MEHR CHAND KHANNA: I do not say they are excluded but I was trying to answer all the questions on the important items that they discussed, and if the hon. Member wishes to have the particular information about provident fund and pension and if notice of the question is given, I will certainly have the matter looked into.

SHRI N. R. MALKANI: Was there any discussion about verification of agricultural claims and expediting their disposal?

SHRI MEHR CHAND KHANNA: This question was presumably taken up, Sir, and I have been assured by the Government of Pakistan that they will do their best and see that the revenue records are exchanged between the two countries as expeditiously as possible.

SHRI N. R. MALKANI: Is the Government intending to set up any special staff for that purpose, to expedite the disposal of such claims?

SHRI MEHR CHAND KHANNA: There is some difficulty and I believe in the case of Bahawalpur they said that they did not have the printed records and we said that if they wanted to have the details from India in this matter, in the matter of copying of those records, we should be glad to offer that assistance.

SHRI PRITHVIRAJ KAPOOR: Can the hon. Minister say whether the movable property has not already moved away from the places where it was?

SHRI MEHR CHAND KHANNA: If he is talking about some of the items like lockers and safe deposits, they are still in Pakistan. But if he talks about the buried treasures and house-

hold effects, quite a bit of them has moved from Pakistan to India.
