

after the Plan period has to be borne by the University out of its own resources and with such assistance as it might secure from the State Government. The University has agreed to this arrangement. Definite information is not available as to the exact assistance which the State Government has agreed to give to the University for the purpose.

DR. RAGHUBIR SINH: May I know, Sir, what was the original capacity for students in this University and what is the increased capacity?

DR. MONO MOHAN DAS: The original capacity was only 100 admissions per year. Now, the capacity has gone up to 240.

DR. RAGHUBIR SINH: May I know, Sir, from which date these additional students would be taken up?

MR. DEPUTY CHAIRMAN: From what date are these extra students admitted?

DR. MONO MOHAN DAS: On this point I am not prepared to commit, but the development scheme has already begun, is being implemented and most probably the additional admissions have begun from this year. But I am not sure.

SHRI TAJAMUL HUSAIN: What is the medium of instruction in the Osmania College for engineering studies—Hindi, English or Urdu?

DR. MONO MOHAN DAS: it is an engineering college and from common sense I can say that most probably it is English; but I am not sure.
