आरी डी० पी० कर्मकर : इस के लिये  
मुझे थोड़ी सी पूर्व सूचना चाहिये ।

SHRI D. A. MIRZA: Are the seats  
allotted as per the proportion of the  
population?

SHRI D. P. KARMARKAR: Sir,  
there was a provision of Rs. 6.5 crores  
during the second Five Year Plan  
firstly for starting new colleges and  
secondly for increasing the strength  
of the old colleges. It was considered  
uneconomic, for instance, to have  
a college with fifty students. So, we  
invited proposals from the various  
States in respect of increasing the  
strength up till 100. We considered  
various proposals and we still continue  
to consider them as they come  
and we approved of such proposals  
as they came in.

DR. SHRIMATI SEETA PARMANAND: How much money has been  
allotted for the new College for the  
Delhi State and how many students  
have been admitted to that college?

SHRI D. P. KARMARKAR: As my  
hon. friend already knows, the new  
College in Delhi is under troubles.

DR. SHRIMATI SEETA PARMANAND: The hon. Minister mentioned  
about troubles. May I know from the

hon. Minister as to what the trouble is and at what stage it is. The hon. Minister's reply does not throw any light on the matter.

**SHRI D. P. KARMARKAR:** I advisedly said that the new college is under trouble, thanks largely to representations made including the one by my hon. friend, the questioner.

**SHRI B. P. BASAPPA SHETTY:** Is there a proposal to start a new medical college at Hubli and, if so, what are the number of seats allotted to it?

**SHRI D. P. KARMARKAR:** It has been decided to start a college at Hubli and I think, subject to correction, the number of seats will be fifty.

श्री ज० रा० कन्नूर : मंत्री महोदय ने उत्तर प्रदेश के सम्बन्ध में यह सूचना दी कि प्रागरा मेडिकल कालेज में २५ नये विद्यार्थियों को लेने की योजना है तो क्या मैं यह समझू कि जो दो और मेडिकल कालेजज कानपुर और लखनऊ में हैं उन में कुछ नये विद्यार्थियों की संख्या बढ़ाने की कोई योजना नहीं है ?

श्री डी० पी० करमरकर : जो मेरे पास इतिला है उस में ऐसा लिखा है कि कानपुर में एक नया मेडिकल कालेज खोलना है ।

श्री ज० रा० कन्नूर : वह खुल गया है ।

श्री डी० पी० करमरकर : तो यही चीज है ।

**MR. CHAIRMAN:** Mr. Karmarkar, take the House a little more seriously.

श्री नवाब सिंह चौहान : क्या सरकार को सूचना है कि साउथ कनाडा में मनोपोल में एक कोऑपरेटिव मेडिकल कालेज बहुत सुन्दर ढंग का चल रहा है ? यदि है तो क्या सरकार उसको कोई मदद दे रही है ? अगर नहीं दे रही है, तो उसका कारण क्या है ?

**SHRI D. P. KARMARKAR:** I should like to reply in English because my Hindi becomes a little less intelligent.

**SHRI JASPAT ROY KAPOOR:** The hon. Minister's Hindi is so sweet that we are tempted to give him an opportunity to speak in Hindi.

**MR. CHAIRMAN:** It is not fair to him.

**SHRI D. P. KARMARKAR:** On this particular occasion, I should like to crave your indulgence for replying in English. As a matter of fact, there is a college in Manipal in South Kanara. I am not sure whether that institution has asked for our assistance or not. It is a private-owned college being run with private resources. If the State Government sends us any proposals about that particular college, we might consider them though at the present moment we are considering questions of assistance to State-run colleges.

**DR. SHRIMATI SEETA PARNAND:** The hon. Minister mentioned about the troubles of the new college. I would like to know whether the college is in trouble because of the actions of the Ministry or because of the representations of the women?

**SHRI D. P. KARMARKAR:** My hon. friend thought that I was casting a reflection. I never meant anything of that kind. I only said difficulties, to put it beyond any doubt,—I will not mention the word troubles—were due to the fact that there were many representations to the effect that this should not be a composite college and that the Lady Hardinge College should be left alone as now for girls only. The question is now under consideration of Government. I did not mean any reflection of any kind when I used the word troubles.

**SHRI R. U. AGNIBHOJ:** From whom did these representations come?

**MR. CHAIRMAN:** That is all right.

**SHRI D. A. MIRZA:** May I know the number of medical colleges in Madras State and the strength of those colleges?
