मौलाना ایم - فاروقی : میوے اس

سوال کا مطلب یہ تھا کہ آپ کون کون سے نئے میڈیکل کالج کھول رہے ہیں اور اس کے جواب میں آپ نے اس اسٹیٹمنٹ میں یہ بتایا کہ مختلف جگہوں میں کھولے ہیں اور اترپردیش میں بھی کانپور میں کھولا ہے - تو مجھے یہ پوچھنا ہے کہ اپنی اسکیم نے مانعیت جو کہ آپ نے اپنی رپورٹ میں دیکر کہا ہے اس کانپور کے کالج کو کھولنے میں پریفرنس کس بات کو دیا ہے آپ نے کانپور کو کس پرائیورٹی آف دیو سے پریفرنس دیا ہے جبکہ کانپور سے قریب پچاس میل کی دوری پر لکھنؤ میں ایک دوسرا میڈیکل کالج کھلا ہوا ہے - باوجود اس کے الہ آباد میں جو کہ ایک ایجوکیشنل سنٹر ہے اور جس کا ہمارے یو - پی کے ایسٹرن ڈسٹرکٹس سے خاص تعلق ہے وہاں یہ میڈیکل کالج نہیں کھولا ہے -

†[मौलाना एम० फारुकी : मेरे इस सवाल का मतलब यह था कि आप कौन कौन से नये मेडिकल कालेज खोल रहे हैं और उसके जवाब में आपने इस स्टेटमेंट में यह बताया कि मुम्बई जगहों में खोले हैं और उत्तर प्रदेश में भी कानपुर में खोला है। तो मुझे यह पूछना है कि अपनी स्कीम के मातहत जो कि आपने अपनी रिपोर्ट में रिफर किया है, इस कानपुर के कालेज को खोलने में प्रिफरेंस किस बात को दिया है, आपने कानपुर को किस प्वाइंट आफ व्यू से प्रिफरेंस दिया है, जब कि कानपुर से करीब ५० मील की दूरी पर लखनऊ में एक दूसरा मेडिकल कालेज खुला हुआ है। बावजूद

इसके इलाहाबाद में जो कि एक एज्युकेशनल सेंटर है और जिसका हमारे यू० पी० के ईस्टर्न डिस्ट्रिक्ट्स से खास ताल्लुक है वहां यह मेडिकल कालेज नहीं खोला है।]

श्री डी० पी० कर्मकर : जनाब, जो सवाल पूछा गया था, वह यह था कि कितने मेडिकल कालिजेज खोलने का इरादा है; तो हमने उसके जवाब में एक लिस्ट दे दी और उसमें कानपुर भी है। अब बात यह है कि जिस वक्त कोर्द कालेज खोलना होता है तो उस वक्त स्टेट गवर्नमेंट्स से रिकमेंडेशन आ जाती है। वे भी सोचते हैं, हम भी सोचते हैं और जो मूनासिब हमारी समझ में आता है उसको हम करते हैं।

MR. CHAIRMAN: Don't try it in Hindi. Give it in English.

SHRI D. P. KARMARKAR: I was trying to tell my hon. friend that proposals come from the States including proposals for the location of the various colleges. They give due consideration to these matters and we give due consideration and if, in our agreement, a certain college is to be opened at a certain place, then we come to that conclusion. As to whether it is 50 miles or 100 miles or 200 miles is not relevant to our consideration. If the hon. Member has any particular suggestion to make, he may make it to the State Governments and to us also.

SHRI D. A. MIRZA: Is there any proposal to start a fresh medical college in the Madras State?

SHRI D. P. KARMARKAR: I have given a list. There is no new medical college for Madras, so far as I can see except the one at Pondicherry.

SHRI JASWANT SINGH: I have not seen the statement the hon. Minister has laid on the Table of the House but I would like to know whether a medical college has been allotted to Rajasthan and, if so, where

is it to be situated? Has any decision been arrived at in that connection?

SHRI D. P. KARMARKAR: As I have already mentioned, Rajasthan is not one of the States included. There has been a representation made about Bikaner and the matter is under consideration.

12 NOON.

SHRI R. U. AGNIBHOJ: Will the Government see the possibility of having one central medical college for the whole country run by the Government of India so that all the medical college students might get admission and there is no frustration?

SHRI D. P. KARMARKAR: Sir, the Lady Hardinge Medical College exclusively for girls, and the All-India Institute of Medical Sciences with a capacity to admit 50 students were meant partly for all-India, but the recent trend has been that more local students avail of these facilities and outside students do not seem to be taking as much advantage of them as they might.

MR. CHAIRMAN: The Question Hour is over.
