RAILWAY SALOONS

(a) the existing number of railway saloons;

(b) who are entitled to use them; and

(c) the travel mileage made in these saloons in the year 1956-57?

THE DEPUTY MINISTER OF RAILWAYS (SHRI SHAH NAWAZ KHAN): (a) Information is being collected.

(b) Saloons, including tourist cars, owned by the Railways, are used mainly by the President and Vice-President of India, Union Ministers, foreign dignitaries, high Government officials, tourists and the public. A few of them are exclusively used by Governors of States concerned. Some of the saloons are also owned by States and/or Indian Princes and Chiefs.

(c) The information required involves an examination of a number of records throughout the country to get out the mileage of each movement. The process is too cumbersome and in view of this it is doubtful whether it would be worthwhile collecting this information.
