

SHRI T. T. KRISHNAMACHARI: Well, Sir, any question of acquiring gold is up against this proposition. Now the position is that the gold price of the rupee and the gold price Tuling in the market do not tally, nor can it be said that the price ruling in the market is at all a healthy price and it is a correct indication of the value of the rupee, because that is a speculative price on which no conclusions could be drawn. SHRI T. T. KRISHNAMACHARI: I should plead complete ignorance.

SHRI M. VALIULLA: Some time "back, Sir, the Finance Minister wanted the jewellery from women. May I know -whether he wanted to purchase it from them or he wanted it 's a iree gift from them?

SHRI T. T. KRISHNAMACHARI: I am afraid my friend at that time probably did not understand it correctly. I said, if I wanted it, I will get a response. I never said I want-*ed it.
