

setting up a standing body to serve as a coordinating link between the automobile industry and Government; and

(b) if so, what is the proposed set up of the body and what will be its functions and powers?

THE MINISTER FOR COMMERCE AND INDUSTRY (SHRI MORARJI R. DESAI): (a) and (b). The hon. Member is perhaps referring to the recommendation of the Tariff Commission in its Report (1956) that the automobile manufacturers should form an Association of their own. The attention of the industry was drawn to this recommendation in the Government Resolution on the Report. Subsequently, at a meeting of the manufacturing firms convened by Government recently, the desirability of implementing this suggestion was again stressed. In consequence a Panel consisting of the industry's representatives was formed to examine the question and report the result within two months.
