

SHRI N. KANUNGO: Yes; but it is up to the State Governments to organise societies and start planting and that is exactly the discussion which we are having.

SHRI GOVINDAN NAIR: May I know the productive capacity of the synthetic rubber plant that is going to be started in U. P.?

SHRI N. KANUNGO: It is just in the discussion stage and we hope that the plant should be organised for 20,000 tons of production.

MR. CHAIRMAN: What is the question?

SHRI PERATH NARAYANAN NAIR: May I know if the theft of files from the External Affairs Ministry was after this visit or.....

MR. CHAIRMAN: He is saying something about the disappearance of file. I am using 'disappearance' instead of 'theft'.

SHRI JAWAHARLAL NEHRU: The hon. Member's imagination is a very vivid one and the implications of the question are very unfair. It has nothing to do with it.

SHRI PERATH NARAYANAN NAIR: Are the Government aware of the contacts he made during the visit?

MR. CHAIRMAN: We do not watch people's movements.
