STATEMENT REGARDING REPLY TO SUPPLEMENTARY QUESTION ON STARRED QUESTION NO. 150 ANSWERED ON THE 8TH MAY, 1956.

CHARTER RATE OF FLIGHTS OPERATED BY AIR INDIA INTERNATIONAL

THE MINISTER FOR COMMUNICATIONS (SHRI JAGJIVAN RAM): Sir, with your permission I wish to correct an unfortunate error which occurred in my reply to a supplementary question arising out of Starred Question No. 150 for the 8th May 1956. The information given in course of the reply to Shri Govin-da Reddy's supplementary question relating to cost of flights operated by Air India International that the charter rate usually yields 20 to 25 per cent, profit on the total cost is not correct. This percentage of profit is only on the out of pocket cost and not on the total cost. I deeply regret this error, and apologize to you, Sir, and to members of the Sabha.
