

finalise their own arrangements so that the use of this workshop will no longer be required by them?

SHRI O. V. ALAGESAN : It is difficult to say. This workshop, as has been stated in the answer, has been manufacturing gates etc., for the Bhakra Nangal and other projects. Perhaps for the duration of the projects, they may require it for some of the things to be made there. We have agreed to have those things made in this workshop until they make other arrangements.

DR. RAGHUBIR SINH : May I know what items or types of railway requirements are proposed to be produced by this workshop?

SHRI O. V. ALAGESAN : This workshop is intended, when developed, to undertake the repairs to locomotives.

श्री नवाबसिंह चौहान : मैं इस प्रश्न के बारे में पहले गलती से प्रश्न कर गया था। मैं यह पूछना चाहता हूँ कि इस कारखाने में ट्रैक्टर का भी निर्माण किया गया था ? अगर किया गया तो सरकार क्या बड़े पैमाने पर ट्रैक्टरों को बनाने का प्रयत्न करेगी ?

श्री ओ० वी० अलगेसन : रेलवे को ट्रैक्टर की जरूरत नहीं होती।

श्री नवाब सिंह चौहान : नहीं, जो यह पूछा गया है कि क्या रेलवे सामान के अलावा भी कोई सामान बनाये जायेंगे, तो क्या ट्रैक्टर का जो नमूना तैयार किया गया था उसके आधार पर बड़े पैमाने पर उसको बनाने की भी योजना है ?

श्री लाल बहादुर : इस कारखाने में अगर कोई दूसरा सामान बनेगा तो सिर्फ भाकड़ा नंगल के लिए जो मशीन की या और इक्विपमेंट्स की जरूरत है, वही बनेगा। बाकी सब रेलवे का सामान बनेगा।
