interest in village communications have framed
the scheme and the various State

participate in it. Most of them are small
schemes and I take it that the State
Governments take good care of them and see
that they are executed on proper lines.

SHRI BHUPESH GUPTA: May I know if the Government is aware of the fact that a number of State Governments had prepared their own schemes and that on account of paucity of funds they could not implement them?

SHRI O. V. ALAGESAN: They may relate to only work like district highways, etc. But this relates to village communications, the amount which has to be spent on the basis which I just now mentioned. SHRI O. V. ALAGESAN: Every Government has suggested.

MR. DEPUTY CHAIRMAN: You must ask the Uttar Pradesh Government.

SHRI P. N. SAPRU: Will the Government publish the report of the progress made so far, or an extract of it?

SHRI O. V. ALAGESAN: This relates to small village roads. I do not think it is very necessary to publish these reports.
