LOAN FROM THE WORLD BANK

*243. SHRI M. VALIULLA: Will the Minister for FINANCE be pleased to state:

(a) whether Government are having negotiations with the World Bank for any loan at present;

(b) if so, what is the amount asked for; and

(c) what is the purpose for which the loan is to be taken?

THE DEPUTY MINISTER FOR FINANCE (SHRI B. R. BHAGAT): (a) No Sir.

(b) and (c). Do not arise.

SHRI M. VALIULLA: Is it not a fact that Government negotiated for a loan for the Industrial Credit and Investment Corporation?

SHRI B. R. BHAGAT: The World Bank has already agreed to finance this loan.

SHRI M. VALIULLA: Has that amount been drawn? What is the last date for the drawing of the loan amount?

SHRI B. R. BHAGAT: This loan has become effective only from December, 1955 and no drawal has yet taken place; it will take place very soon.

SHRI M. VALIULLA: I want to know the last date by which the loan has to be drawn. Also, there were negotiations going on for the Trombay Project. I want to know whether the amount in this respect has been drawn.

SHRI B. R. BHAGAT: These two loans have become effective only in December, 1955 and they could be drawn only after they become effective.

SHRI M. VALIULLA: What is the last date for drawal? There is a last date by which the money has to be drawn. If not, some interest has to be paid.

SHRI B. R. BHAGAT: I have not got information in that respect with me but I think that date has not yet expired.

SHRI B. C. GHOSE: For what purpose has the Government of India invited a Mission from the World Bank if no negotiation is intended to be undertaken?

SHRI B. R. BHAGAT: I could not follow the question, Sir.

MR. CHAIRMAN: The question is: "Why have you invited a Mission from the World Bank if you have no intention of entering into any negotiation?"

SHRI B. R. BHAGAT: We have not said that we have no intention of entering into any negotiation. The invitation for a Mission to come here is for a general survey of the economic possibilities. After they submit a report, we will consider whether any negotiation should be started with the World Bank.

SHRI B. C. GHOSE: Do I understand that the Government has not approached the World Bank for any particular loan as yet?

SHRI B. R. BHAGAT: No, Sir, not just now, but the previous loans are there. However, we may think of taking some loans and negotiations may start, but just now we are not having any negotiations.
