SHRI BHUPESH GUPTA: May I know, Sir, whether non-agricultural properties are covered, and, if so, what steps have been taken to bring such properties within the operation of this?

SHRI M. C. SHAH: What does he refer to? I cannot follow.

DR. P. C. MITRA: Is it a fact, Sir, that the collections have fallen short during the year and did not materialise as expected?

SHRI M. C. SHAH: As a matter of fact it all depends on rich persons dying leaving assets, and unfortunately we cannot make any arrangement with Almighty God that the collections should be as we expect them to be.

SHRI M. VALIULLA: What was the collection during this period?

SHRI M. C. SHAH: Collection I have given—"Rs. 85 lakhs had been collected."
