

DR. P. C. MITRA: May I know, Sir, whether the Government of Bihar got the consent from the President?

SHRI M. C. SHAH: They used to levy sales-tax on food grains and if they discontinued it, they would be faced with a big deficit.

DR. P. C. MITRA: Without the consent of the President, they cannot do it. Did they get the consent?

SHRI M. C. SHAH: As I said, that Act was prospective and not retrospective.

MR. DEPUTY CHAIRMAN: The Bihar Act was passed before the Central Act was passed.

SHRI B. K. P. SINHA: Two years ago the President consented to a Bill.

SHRI M. C. SHAH: It was only for the extension of the Act. The tax was levied before and they came forward and if we had not agreed there would have been a deficit of several lakhs of rupees. That question was to be considered

SHRI P. S. RAJAGOPAL NAIDU: May I know, Sir, from the hon. Finance Minister whether there is any multiple point sales tax levied on food grains in any of those three States mentioned by him?

SHRI M. C. SHAH: Sir, the question was with regard to the sales tax on food grains. So, I think it is beyond the scope of the question.

SHRI P. S. RAJAGOPAL NAIDU: I will put it in a simpler way. I would like to know whether any sales tax over sales tax on the sale of food grains is levied in any of those three States mentioned.

SHRI M. C. SHAH: I want notice.

MR. DEPUTY CHAIRMAN: He wants notice. Next question.
