SHRI B. K. P. SINHA: Am I to take it that the lawyers' chambers are going to be constructed in the second phase, because the hon. NEWS CORRESPONDENTS EMPLOYED BY A. I. R.

*93. SHRI V. M. SURENDRA RAM: Will the Minister for INFORMATION AND BROADCASTING be pleased to state:

(a) the total number of news correspondents and special news representatives employed by the All India Radio; and

(b) what are the salaries of these employees?

THE PARLIAMENTARY SECRETARY TO THE MINISTER FOR INFORMATION AND BROADCASTING (SHRI G. RAJAGOPALAN) : (a) and (b). A statement giving the information is laid on the Table of the Rajya Sabha.

STATEMENT

Designation of the post	Number of posts	Salary
Senior Correspondent	3	In the scale, of Rs. 720-40-1000,
Correspondent	6	In, the scale of Rs. 530-30-710

SHRI S. MAHANTY: Have these correspondents been asked not to marry without the sanction of the Information and Broadcasting Ministry?

DR. B. V. KESKAR: The hon. Member's question is based probably on some distorted news item. Certain distorted news appeared in the newspapers regarding general rules of conduct for employees of the All India Radio, and I would like to take this occasion of saying that the news, that has appeared in the newspapers is quite wrong. The correct version is this that in an organization, which has a very large number of women employed alongside with men, the attention of the employees was drawn to certain rules of conduct which are there in the Government Servants' Conduct Rules—which one is apt to forget sometimes—and they have been told that they should keep in mind the Government Servants' Conduct Rules and if they do not observe them, they might become liable to disciplinary action. The second thing is that in an organization which has got 30 or 40 centres all over the country, where one is liable to be transferred from one place to another, if two employees who are employed in the same organization want to marry they should note this warning that they cannot be posted at the same place together, and this they should know before going in for such marriage.

SHRI S. N. DWIVEDY: Has any action been taken against any officer for violation of these rules?

DR. B. V. KESKAR: There is no question of violation at all. The action is that we will not post them together.

SHRI P. SUNDARAYYA: Then what was the necessity of drawing the attention of these employees to the Government Servants' Conduct Rules?

DR. B. V. KESKAR: The occasion is, this; During the last three or four years, a number of regrettable incidents have occurred in a number of stations and it is possible that some employees might think that such kind of conduct is 'probably ordinary' and is something in which they can indulge.
