ANTI-BIOTICS

to Questions

244. LT.-COL. J. S. MANN: Will the Minister for COMMERCE AND INDUSTRY be pleased to state whether anti-biotic drugs are produced in India; if so, whether the production is enough to meet requirements in the country?

THE MINISTER FOR COMMERCE AND INDUSTRY (SHRI T. T. KHISHNA-MACHARI): Aureomycin is the only antibiotic drug which is being partly manufactured in the country, and its production is considered sufficient to meet the country's present requirements. Other antibiotics such as penicillin, streptomycine, chloram-phenical, terramycene, etc., are now wholly imported.

PRODUCTION OF ALLOPATHIC MEDICINES

- 245. LT.-COL. J. S. MANN: Will the Minister for COMMERCE AND INDUSTRY be pleased to state:
- (a) the names of firms manufacturing allopathic medicines on a large scale in India;
- (b) what are the main types of drugs and medicines which these firms produce; and
- (c) to what extent they meet the demand for such drugs and medicines the country?

THE MINISTER FOR COMMERCE AND INDUSTRY (SHRI T. T. KRISHNA-MACHARI): (a) A list of important firms which manufacture allopathic medicines on a large scale is attached. /See Appendix VII, Annexure No. 151.]

(b) and (c). A statement giving information in ragard to the main types of drugs and medicines produced by these firms and the extent to which indigenous production is able to meet the country's demand is attached. [See Appendix VII, Annexure No. 152.1
