INVITATION TO STUDENTS' DELEGATION TO VISIT CHINA

10. SHRI M. VALIULLA: Will the PRIME MINISTER be pleased to state:

(a) whether the students' delegation from the University of Delhi invited by the Chinese University Union in 1953, was not granted passports; and

(b) whether invitation of the Chinese University Union was sent through the Government of the Peoples' Republic of China to the Government of India?

THE PRIME MINISTER AND MINISTER FOR EXTERNAL AFFAIRS AND DEFENCE (SHRI JAWAHARLAL NEHRU): (a) The question whether the delegation of students from the Delhi University should visit China was carefully examined by Government in consultation with the Delhi University authorities. It was considered that a delegation of this kind visiting a foreign country should be carefully selected and arranged on a reciprocal basis after due consultation between the Governments and the Universities concerned on both sides. Government also considered that it would not be proper for students to accept financial aid and hospitality from foreign students' unions except on a reciprocal basis and after preliminary and satisfactory consultations in regard to financial and other arrangements. As there was no time for such consultations in this case, the whole matter was postponed till a later date. The question of the issue of passports to members of the delegation did not, therefore, arise.

(b) No.
