

discussed, and I suggest to all my hon. friends that they had better wait a few months more when this matter will have been fully examined. Please remember that these questions have aroused great passions and great excitement. I know the feelings in Rajasthan. On the other hand, I am also aware of the feelings that exist in Gujarat. Therefore the question has to be carefully considered and it has to be examined dispassionately. I therefore suggest that this question should be allowed to be considered by the all-India Commission in that dispassionate atmosphere. Otherwise we will have to act in accordance with article 3 of the Constitution.

SHRI H. C. MATHUR: Has the Bombay Government sent any reply or not?

DR. K. N. KATJU: Yes, the Chief Minister has sent a reply.

SHRI H. C. MATHUR: Without referring the matter to the Legislative Assembly?

DR. K. N. KATJU: Certainly he is entitled to do it.

SHRI H. C. MATHUR: Am I to understand that no action is going to be taken by the Government of India under article 3 of the Constitution before receiving the recommendations of the Commission which is in the offing?

DR. K. N. KATJU: I would beg of my hon. friends not to press this question further in the public interests.

SHRI S. MAHANTY: May I ask whether it is a fact that Mt. Abu and the adjoining areas were originally intended to be transferred to Rajasthan, and if so, under what circumstances they were transferred to Bombay?

DR. K. N. KATJU: I do not think that my hon. friend's information is quite correct. I would request my hon. friend not to dissect this question here further on the floor of this House.

SHRI H. C. MATHUR: Will the hon. Minister please let me know whether the Government is going to receive piecemeal recommendations from the proposed Commission or a complete report on the re-alignment of the States throughout the country?

DR. K. N. KATJU: This is a matter of procedure. It is still under consideration and I do not know what exactly the decision will be, but.....

MR. CHAIRMAN: You deprecate any further discussion on this question. Mr. Biswas.

SHRI H. P. SAKSENA: It is within your power to validate my question on question No. 133 by permitting me to put that question in the place of my friend in his absence.

MR. CHAIRMAN: I cannot do it unless you are authorised.
