

Negotiations for the setting up of joint Tea Promotion Councils in Canada, Australia and the principal tea consuming countries in Europe, in collaboration with other tea producing countries and the tea trade, are now in progress. At present there are no proposals for doing tea propaganda in South America.

(b) Indian tea is exported mainly to the United Kingdom, the United States, Eire, Canada, Australia, Arabia, Iran, the U.S.S.R., Turkey, Chile, Germany, Egypt and Sudan.

CONSTITUTION OF RAILWAY COLLIERIES UNDER INDIAN COMPANIES ACT

311. SHRI M. VALIULLA: Will the Minister for PRODUCTION be pleased to state:

(a) whether it is proposed to constitute any of the railway collieries as companies under the Indian Companies Act;

(b) if so, which are those collieries;

(c) whether shares will be issued for the public to subscribe; and

(d) what will be the percentage of Government share in such a company?

THE MINISTER FOR PRODUCTION (SHRI K. C. REDDY): (a) and (b). Whether the future pattern of management of the railway collieries should be by formation of a limited company under the Indian Companies Act or departmentally, as at present, is under the consideration of Government.

(c) and (d). These matters will be considered if and when a decision is taken to form a company. But I may add that it is likely that the shares of such a company when formed will be fully owned by the Government.
